LET THE MOVEMENT BEGIN

CHICLOTHING FALL 2006

You're not your job.

You're not how much

money you have in the bank

You're not the car

you drive

You're not the contents

in your wallet

You're not your

fucking khakis

You're the energy of our world

You create, You provide

You endure, you survive

You build the future

You set the trends with your music

with your decisions

with your dance

with your thoughts

with your words

YOU ARE CHIC

C O M I N G

FALL 2006
